

WORSHIP GOD 10VE FREELY SERVE OTHERS

what's my next steps?

There is nothing greater than belonging to God's family when we put our faith in Jesus - and thats just the beginning! God designed each of us to live in community and as Christ-followers, to belong to the local church. It's here we worship together, serve one another, and freely shine Christ's love to our communities. Together we become better equipped to accomplish our mission as followers of Jesus. Are you ready to take your next step at Kingdom Culture Church.
